

# Scientific Program - Thursday 19th April

| TIME          | EVENT  |
|---------------|--|
| 08:00         | <b>REGISTRATION</b>  |
|               | <b>Chairs</b> - Mr Simon Butler-Manuel & Mr Anil Tailor  |
| 09:00 - 09:15 | <b>Paula Head RSCH Chief Executive</b><br>Welcome & Conference opening   |
| 09:15 - 10:00 | <b>Simon Butler-Manuel</b><br>Building robotics into NHS Practice- RSCH Epicentre Model  |
| 10:00 - 10:15 | <b>Marianne Illsley</b><br>Guildford Robotics- A Medical Director's Perspective  |
| 10:15 - 10:45 | <b>Celine Chauleur</b><br>Evolution of the robotic surgery - Senhance system - Could we do better and cheaper?   |
| 10:45 - 11:00 | <b>COFFEE BREAK &amp; POSTER VIEWING</b>   |
|               | <b>Chairs</b> - Mr Simon Butler Manuel & Mr Nick Elkington   |
| 11:00 - 11:45 | <b>Arnie Advincula</b><br>Robotics in Gynecologic Surgery: U.S. Trends & Perspectives Over the Last 5 Years  |
|               | <b>ORAL PRESENTATIONS</b>  |
|               | <b>James Dillely</b><br>1. Visual behaviour in robotic surgery – demonstrating the validity of the simulated environment   |
|               | <b>Ryan Sers</b><br>2. Objective quantification of a surgeon's kinematics during laparoscopic surgery: Preliminary results   |
| 11:45 - 12:30 | <b>Thomas Ind</b><br>3. The impact of introducing a robotic service on radical hysterectomy for stage 1b carcinoma of the cervix   |
|               | <b>Jeneke Kasius</b><br>4. Fluorescent Robotic Indocyanine Endoscopic Node Detection (FRIENDS) Study; value of sentinel lymph node dissection in robotic surgery for early stage cervical cancer |
|               | <b>Aemn Ismail</b><br>5. Is it the time to offer robotic experience to O&G trainees? A national survey   |

| TIME          | EVENT   |
|---------------|---|
| 12:30 - 13:15 | <b>LUNCH &amp; POSTER VIEWING</b>   |
|               | <b>Chairs</b> - Mr Tony Chalhoub & Ms Marielle Nobbenheimus   |
| 13:15 - 13:25 | <b>Phil Bradshaw (Intuitive Surgical)</b><br>da Vinci robotics - today and tomorrow                   |
| 13:25 - 13:55 | <b>Alan Gillespie</b><br>How to establish a successful robotics program - and how to get paid for it! |
| 13:55 - 14:25 | <b>Jonathon Lippiatt</b><br>"Seal the Deal" - Poole Experience, Vessel Sealer, Tablemotion            |
| 14:25 - 14:55 | <b>Nahid Gul</b><br>Role of Robotic assistance in Complex Gynaecological Surgery                      |
| 14:55 - 15:30 | Sponsors Presentations  |
| 15:30 - 16:30 | BIARGS AGM  |
| 16:45         | <b>DEPART TO DENBIES</b>  |
| 17:30         | <b>Chris Sutton</b><br>Vineyard Tour & Wine tasting followed by Historical Lecture & Dinner           |
