

BIARGS

British & Irish Association of
Robotic Gynaecological Surgeons

BIARGS 2019 Scientific Programme:

Tuesday June 11th

08:45-9:00	Registration	
9:00- 09:15	Welcome	Tony Chalhoub & Jeremy Twigg
9:15-10:00	Role of Robotic Surgery in the morbidly obese patient	Nahid Gul
10:00- 10:30	RoBoQoL: An evaluation of the impact of mode of surgery on patient centred outcomes in gynaecological cancer	Jeremy Twigg
10:30- 11:00	Coffee break	
11:00- 11:30	Anaesthesia in Robotic Surgery	Jim Carter
11:30- 12:30	Oral presentations	
12:30- 13:30	Lunch break	
13:30- 14:15	Sentinel node biopsy in endometrial cancer: Feasibility, technique and implementation	Jan Persson
14:15- 14:45	Sentinel node biopsy in cervical and endometrial cancer: The Royal Marsden experience	Marielle Nobbenhuis
14:45- 15:30	Endometrial cancer hospital episodes statistics data analysis	Esther Moss
15:30- 16:15	Sponsors Presentations	
16:15- 17:15	BIARGS AGM	
18:00	Depart to SAGE Quayside: Dinner	

BIARGS

British & Irish Association of
Robotic Gynaecological Surgeons

BIARGS 2019 Scientific Programme:

Wednesday June 12th

08:45 - 9:00	Registration	
9:00- 9:30	Survival of early cervical cancer after national robotic implementation	Pernille Tine Jensen
9:30- 10:00	Robotic surgery for cervical cancer: Institutional results & results from Swedish nationwide study	Jan Persson
10:00- 10:30	Robotics and cervical cancer	Fabrice Lecuru
10:30- 11:00	Coffee break	
11:00- 11:30	Education & certification in robotic surgery in relation to ongoing discussion on how we secure the next generation surgeons	Pernille Tine Jensen
11:30- 12:00	Robotic surgery: RCOG & Training curriculum	Nahid Gul
12:00- 12:30	First assistant in robotic surgery	Doreen Contreras
12:30- 13:30	Lunch	
13:30- 14:00	Survival impact & risk of severe complications of early stage endometrial cancer following national introduction of robotic surgery	Siv Lykke Joergensen
14:00- 14:30	Robotics in benign gynaecology	Tony Chalhoub
14:30- 15:00	Robotics in deep infiltrating endometriosis	Nick Elkington
15:00- 15:30	Robotics the Wirral experience	David Rowlands
15:30: 16:00	Presidential address: Robotics, the Future	Thomas Ind
16:00- 16:30	Professor John Shepherd prize: Oral presentation Professor Jeremy Wright prize: Poster presentation	Tony Chalhoub/ Jeremy Twigg
16:30- 17:00	Close & remarks
