Preceding Robotics Workshop (10th June 2019) NEWCASTLE SURGICAL TRAINING CENTRE

The preceding Surgical Workshop on the 10 June 2019 will be held in Newcastle Surgical Training Centre, Freeman Hospital. The centre delivers over 200 advanced training courses from regional, national and international surgeons representing multi specialties. Collaboration with national and international faculty drives a greater understanding of surgical techniques delivering improved patient care. www.nstcsurg.org
