The 2nd UK Total Gynaecology Robotic Hysterectomy Surgery Conference and Cadaveric Hands On Dissection Course

22-23 May 2017

NEWCASTLE SURGICAL TRAINING CENTRE

About the centre

At the Newcastle Surgical Training Centre we are committed to giving you the best possible opportunities in education and training by offering a wide range of multidisciplinary courses to meet your every need. Our highly professional clinicians are here to train and support you every step of the way. Combining didactic teaching and practical procedures with leading edge technology, we offer first rate cadaveric training and continuing professional development in a purpose built facility. We also carry out pioneering research into new techniques and ensuring that you receive the very best surgical training available in the UK, both for today and in the future.

The Newcastle Surgical Training Centre is led by the co-directorship of Professor Alan Horgan and Professor David Deehan. The centre delivers over 150 advanced training courses from regional, national and international surgeons representing multi specialties. Collaboration with national and international faculty drives a greater understanding of surgical techniques delivering improved patient care.

FACULTY

INTERNATIONAL GUEST SPEAKER

DR PHILIPPE VAN TRAPPEN
AZ ST-JAN BRUGGE BELGIUM

UK FACULTY

Mr Tony Chalhoub, Consultant, Newcastle Trust
Mr Mark Roberts, Consultant, Newcastle Trust
Ms Mariella Nobbenhuis,
Consultant, Royal Marsden Hospital
Mr Simon Butler-Manuel-
Consultant, Royal Surrey Hospital
Mr Jeremy Twigg,
Consultant, James Cook Un.Hospital
Mr Johnathan Chamberlain
Consultant, Edinburgh Royal Hospital
Dr Mathew Garner, Consultant, Newcastle
Mr Paul Renforth, Surgical Practitioner, Newcastle
Mr Michael Ghattas/Nathan Bennett – Intuitive
Mr Russ Watkins – Newcastle Trust

Course Objectives

NON DISSECTORS- clinical lectures

- Define the role of robotic surgery in current day
- Appreciate the strengths and weaknesses of the evidence base in this emerging field
- Share best practice on setting up a robotic surgery programme
- Understand the benefits and rationale of offering a total robotic hysterectomy in complex benign and gynaecology

Course overview

This course is designed to facilitate the surgeon with didactic and hands on cadaveric training experience, conducted by a faculty of robotic experienced surgeons. This is a 2 day course of lectures, live surgery, practical one to one hands on cadaveric robotic surgery using Xi DaVinci Robot.

- 2 day Intensive course
- Number of Dissectors limited to 8
- Non-Dissectors (full access to clinical lectures and simulator only)

DISSECTORS – Full access to the Xi Da Vinci Robot – with hands on procedures on fresh frozen cadavers and full access to the clinical lectures

- Become familiar with the function and operation of the da Vinci Surgical System
- Appreciate the ergonomics of the da Vinci Surgical system robot and the available robotic instrumentation
- Understand the selection process for patient position, da Vinci surgical team position and robotic surgical approaches
- Learn robotic tissue dissection techniques using bipolar and monopolar energy
- One to One radical robotic hysterectomy on fresh frozen cadavers

COURSE CONTENT

Live Surgery link to Theatres

Review of Clinical Evidence

3rd Arm Utilization

Port Placement Review

Docking with SI and XI

Importance of Patient Selection

Left & Right Sidewall Dissection
(Cadaveric)

Hysterectomy (Cadaveric)

Suturing (Cadaveric)

Anaesthetic considerations

CPD PENDING

**Target Audience – Gynaecologists
& Gynae-Oncologists**

DAY ONE 22nd May 2017 08.00-08.15	Registration and Welcome		
08.15-08.30	Overview Da Vinci Si and Xi Systems	Nathan Bennett	Lecture Theatre
08.30-09.15	Docking and Port Placement	Paul Renforth	Theatre Two
09.15-10.30	LIVE LINKS Theatres – Freeman Hospital	Chair: Tony Chalhoub Phillipe Van Trappen Mark Roberts	Lecture Theatre
10.30-10.45	Refreshments		
10.45-11:30	Step by Step Robotic Radical Hysterectomy	Phillipe Van Trappen	Lecture Theatre
11.30-12.15	Robotics in Gynaecological Oncology: The Royal Marsden Experience	Marielle Nobbenhuis	Lecture Theatre
12.15-1.00	Lunch		
1.00-2.30	LIVE LINKS Theatres – Freeman Hospital	Chair: Tony Chalhoub Mr Mark Roberts	Lecture Theatre
2.30-3.15	Robotics in Gynaecological Oncology: The Royal Surrey Experience	Simon Butler-Manuel	Lecture Theatre
3.15-3.30	Refreshments		
3.30-3.45	History of Robotic Surgery	Tony Chalhoub	Lecture Theatre
3.45-4.00	What Can Go Wrong	Paul Renforth	Lecture Theatre
4.00-4.30	Panel Discussions Q & A	All Faculty	Lecture Theatre
7.30 for 8pm	Dinner	Café 21 , Trinity Gardens Quayside	

09.15-10.45	GROUP ONE	Da Vinci - Dissection-Hysterectomy	
10.45-12.15	GROUP TWO	Da Vinci – Dissection Sidewall and Suturing	
12.45- 2.15	GROUP THREE	Da Vinci – Dissection Hysterectomy	
2.15- 3.45	GROUP FOUR	Da Vinci – Dissection Sidewall and Suturing	
DAY TWO – 23 rd MAY 2017			
08.45-9.00	Coffee and Change		
09.00-09.25	Anaesthetic Challenges in Robotic Surgery	Mathew Garner	Lecture Theatre
09.25-09.40	Cost Implications & Business case	Russ Watkins	Lecture Theatre
09.40-10.25	Fluorescent Robotic Indocyanide Endoscopic Node Detection	Marielle Nobbenhuis	Lecture Theatre
10.25-10.45	Refreshments		
10.45-11.30	Role of Robotic Surgery in Management of Pelvic Masses and Ovarian Cancer	Simon Butler-Manuel	Lecture Theatre
11.30-12.15	Robotic Surgery : The Newcastle upon Tyne Experience	Tony Chalhoub/ Mark Roberts	Lecture Theatre
12.15-1.00	Lunch		
1.00-1.40	Managing a bleed on Aorta/ Aortic Lymph node Dissection/ The very big Uterus Edited Videos	Phillipe Van Trappen	Lecture Theatre
1.40-2.25	Robotics In Gynaecological Oncology: Edited Videos	Simon Butler-Manuel	Lecture Theatre
2.25-3.00	Robotic in Benign Gynaecology: Edited Videos	Tony Chalhoub	Lecture Theatre
3.00-3.15	Refreshments		
3.15-3.45	Robotics In Gynaecological Oncology: Edited Videos	Marielle Nobbenhuis	Lecture Theatre
3.45-4.00	Closing Remarks and Evaluation		

The 2nd UK Total Gynaecology Robotic Hysterectomy Surgery Conference and Cadaveric Hands On Dissection Course

DATE: 22nd & 23rd MAY 2017

Course options (please indicate accordingly)

DISSECTOR FEES

£1050.00 (discount for BIARGS members @ £975)

NON DISSECTOR FEES

£295.00

Please state any special dietary requirements:

Please note: The course fee will include: lunch and refreshments. Payment can be made via BACS (automatic bank transfer) by Credit Card, or by cheque payable to Newcastle upon Tyne Hospitals NHS Trust. Full details and registration information at www.nstcsurg.org Please note payment is due at registration to secure your place. Attendance on the course is conditional upon advance payment being received. Refunds cannot be given in the event of your cancellation within two weeks of the course date. The NSTC cannot accept liability for costs incurred in the event of a course having to be cancelled as a result of circumstances beyond its reasonable control. There is an administration charge of 10% (or £50, whichever is greater) of the total course fee. However, within four weeks prior to the start date of the course, the total course fee will be charged unless in exceptional circumstances at the discretion of the NSTC.

While we make every effort to run courses as advertised, we reserve the right to change the timetable and/or the teaching staff without prior notice and to cancel any courses without liability (in which case there will be a full refund of course fees to participant). Note that any consequential losses (e.g. travel or accommodation costs) incurred in such cases remain the responsibility of the booker, and consideration should be made to taking out appropriate travel insurance for any non-refundable costs.
