

BIARGS 11th Annual Scientific Meeting
Save the date for our virtual ASM on 24th and 25th June 2021.

BIARGS
British & Irish Association of
Robotic Gynaecological Surgeons

BIARGS 11th Annual Scientific Meeting (Virtual ASM) on 24th and 25th June 2021

Join British, Irish and European Gynaecology Robotic Specialists for the 11th British & Irish Association of Robotic Gynaecological surgeons Conference held virtually on 24th & 25th June 2021.

Topics covered include robotic surgical training, RCOG ASM, gynaecological oncology, complex gynaecology, endometriosis, urogynaecology and impact of COVID-19 on robotic service and surgical training.

Register: www.biargs.org.uk

Abstracts: Submit your abstracts: Submission open now. [Submit here](#)

Closing date: **17th May 2021**

Papers and videos are accepted on the role of robotic surgery in all aspects of gynaecology. Closing date for abstract submission is 17th May 2021. Be the winner of BIARGS 2021 for submitting best abstract and win an opportunity to visit a UK or European robotic centre for case observation of your speciality interest (COVID permitting)

Invited speakers:

Sue Ward, Vice President RCOG, Jo Mountfield, Vice President RCOG, Rainer Kimmig, Germany
Roman Horace, France, Taner Usta, Turkey, Shailesh Puntambekar, India, Anshumala Shukla, India
Barry O'Reilly, Ireland

BIARGS focus on training and safe patient service:

BIARGS welcome all grades of Gynaecology trainees/ surgical assistants and Nurses

Today's Trainees are our future surgeons; hence BIARGS main focus is on safe robotic service and surgeon training including surgical assistants & nurses who are integral part of our multidisciplinary team

Registration:

Register free for BIARGS 11th Annual Scientific Meeting virtual ASM on 24th and 25th June 2021.
