

## BIARGS Basic Robotic Hands on Course

NAHID GUL

MARIELLE  
NOBBENHUIS

MICHEAL SMITH

### BIARGS

British & Irish Association of  
Robotic Gynaecological Surgeons

## BIARGS BASIC ROBOTIC COURSE : Yet another successful course

Gynaecology trainees and specialists came from many regions of United Kingdom and overseas to attend the course. They had hands on training on stimulation and porcine cadavers for dissection and suturing.

### Hands on training
